- 1.2 Reference to months for calculation of fees is only for administrative and accounting convenience. Everyone who is dealing with Parents and collection of fees should at no point of time give out any message that gives an impression that the fees are from a particular date / month to a particular date / month.

### **2 Collection of Fees**

- 2.1 Fees for the Academic year are decided in **advance and approved** by the PTA.
- 2.2 For the convenience of the Parents, fee for an academic year is collected in instalments on term basis. Fees are normally payable in advance at the beginning of the Term. Since the fees are collected in instalment basis it is not possible to break down the fees into further instalments.
